About the trail:

Ossete means “summerfarm for Osa”. Challenging walk, steep but rewarding. Marked trail from Osa through Norddalen (the north valley). Some very steep parts, slippery when wet. Breathtaking views down the valley, with the waterfalls and the wild river. The summer farms are situated by a quiet river and a small lake. You should wear sturdy mountain boots. While in Osa, you may also visit the art gallery Hjadlane galleri and the Osa café.
